Punch Alert For The Home

Home Care Communication & Protection App

The Easiest and Fastest Way to Receive Help Quickly!

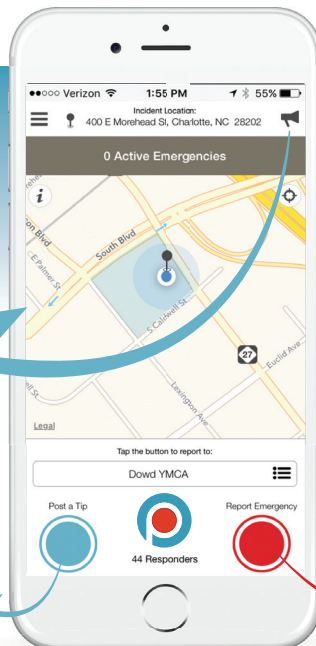

Receive Announcements

*Get information on new
schedules, new policies,
events and warnings.*

Post Tips

Use the blue button to post tips.

Ask for Help

*Use the red button to ask for
help or attention for medical
emergencies, injuries, or ask
urgent questions.*

*To ask for help just press the red button and then choose the category of your need,
you can also send a text message, audio recording, picture or video to explain or
document your situation.*

*Notifications come through to your phone automatically and you can also
post tips about happenings around you.*

Never feel alone -- safety is one click away!
